

No Frost forever

No Frost prevents ice from building up the freezer. Performance is never compromised and your food is preserved better than ever.

Thanks to NoFrost, the best ice-free technology available, you can be sure of a high-performing freezer that never requires defrosting.

Product Benefits & Features

Keep your freezer ice free, with No Frost

NoFrost means there's no defrosting. It keeps the freezer ice-free, so you can always be sure of maximum performance.

Manage functions and temperature with Electronic Control

Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Upright Freezer also gives you instant feedback of your adjustments on the digital control panel.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
