

#### **No Frost forever**

No Frost prevents ice from building up the freezer. Performance is never compromised and your food is preserved better than ever.

---

## Product Benefits & Features

#### **Keep your freezer ice free, with No Frost**

NoFrost means there's no defrosting. It keeps the freezer ice-free, so you can always be sure of maximum performance.

#### **Ten-years peace of mind**

Ten-year warranty on the Inverter Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

#### **Fine-tune settings with electronic touch control**

Take complete command of every freezer function with electronic touch control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.

#### **Perfectly fresh food with Frostmatic**

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
