

**Let your wine shine with premium shelving**

7000 Perfect Shelving showcases your wine collection with extendable, premium wood shelving. Designed with optimal spacing to accommodate all main 750ml bottles, including your favourite Champagne, without scratching their labels.

**Product Benefits & Features**

**Trust the temperature. With Single-Zone Pro**

The Single-Zone Pro wine cabinet can be set at any temperature between 5–20°C for serving or kept between 12–14°C, the perfect temperature for cellaring all your wines.

- high temperature warning signal: Audible & visual
- Door open indicator
- Auto fridge defrost
- Dynamic air technology
- Precision cooling system
- Reversible door

**Expand Your New Collection - White, Red, Champagne & More**

Expand your wine collection and stock up on your favourite bottles. With 7 spaces available per shelf, you will always have room and be ready to serve at any party or special moment.

**Keep wine at its finest with Cellar Pro 5 Fundamentals**

We make sure your wine quality is perfectly protected thanks to the Cellar Pro 5 Fundamentals: temperature stability, high humidity, UV-free dark storage area, quality airflow and no vibrations.

**Create a premium lighting display with Side LED Illumination**

Have the perfect lighting for your collection. Full visibility on every shelf with Side LED Illumination.
