

Always get succulent and juicy results

Your dishes are lip-smackingly brought to the next level by the 7000 SteamCrisp® Oven. It easily adds steam to usual oven heat, so that your roast come out succulent, vegetables stay juicy, and they all come out crispy.

Product Benefits & Features

Steam. Your new standard for flavour

Take your dishes to the next level with the SteamCrisp oven. How? Traditional oven heat is enhanced by the introduction of steam. So not only do you get crisp and golden the outside, but thanks to the gentle flavour preserving nature of steam food is juicy, succulent and consistently tasty on the

- 71 Litre oven capacity
- Inclined FloodLight™ focuses 100% on the food
- Fan controlled defrosting
- LED digital display
- Base heat finishing
- Food probe
- Auto safety switch off and child lock
- Electronic Touch Controls

Make cleaning effortless with pyrolytic cleaning

With one touch of the Pyrolytic cleaning function, dirt, grease and food residue in the oven is converted into ash that you can easily wipe off with a damp cloth.

Thanks to the Food Sensor of this oven you can measure the core temperature from the center of your dish during the cooking process. So you get the perfect results everytime.

Functional. Integrated. Personalised. Smart Kitchen

Remotely manage your oven, explore our various partners, and even get personalised cooking assistance, all via the My AEG Kitchen App. It's the convenient and easy way to enrich your Smart Kitchen experience.

Intuitive oven cooking. With the EXCite Touch Display

The EXCite Touch Display provides access to a wide variety of oven functions to suit every dish. It also makes it easy to adjust oven temperature and timings. And gives you direct feedback, and highlights the most important information.

Product Specification

Main Colour	Matt Black	Main Oven Conventional Mode - Energy consumption per cycle (Kwh)	1.09
Main Oven - Internal Capacity (L)	71	Second Oven Conventional Mode - Energy consumption per cycle (Kwh)	N/A
