**Product Benefits & Features**

Thanks to the Food Sensor of this oven you can measure the core temperature from the center of your dish during the cooking process. So you get the perfect results everytime.

**Cooked evenly everywhere**

With this oven, using energy efficiently also means cooking efficiently. It has a new convection system called Hot Air, which ensures hot air circulates evenly throughout the oven cavity. The result is that the oven heats up faster and cooking temperatures can be reduced by up to 20%, saving you

**A luxurious look and feel combined with premium performance**

The Soft Closing Door technology built into the soft closing door ensures that the door always shuts softly and silently, to deliver both the look and feel of premium performance.

**Gourmet greatness guaranteed, with a little professional help**

Featuring a large LCD Display, this intuitive oven guarantees gourmet greatness every time using the recipe assist function. By automatically adjusting the temperature and time settings to a wide range of foods, it means you're in complete control of your cooking, whether it's supper for two or a dinner party with friends.

**Perfectly bake even the largest batches**

Less isn't always more, especially when it comes to delicious baked goodies. The XL Baking Tray is 20% larger than standard-sized baking trays, enabling you to turn out larger batches of sweet treats, with the satisfaction that every single one has been perfectly baked.
