

Always get succulent and juicy results

Your dishes are lipsmackingly brought to the next level by the 7000 SteamCrisp® Oven. It easily adds steam to usual oven heat, so that your roast come out succulent, vegetables stay juicy, and they all come out crispy.

Product Benefits & Features

Steam. Your new standard for flavour

Take your dishes to the next level with the SteamCrisp oven. How? Traditional oven heat is enhanced by the introduction of steam. So not only do you get crisp and golden the outside, but thanks to the gentle flavour preserving nature of steam food is juicy, succulent and consistently tasty on the

- 71 Litre oven capacity
- Inclined FloodLight™ focuses 100% on the food
- Isofront® Plus quadruple glazed door
- Fan controlled defrosting
- LED digital display
- Food probe
- Auto safety switch off and child lock

Make cleaning effortless with pyrolytic cleaning

With one touch of the Pyrolytic cleaning function, dirt, grease and food residue in the oven is converted into ash that you can easily wipe off with a damp cloth.

Thanks to the Food Sensor of this oven you can measure the core temperature from the center of your dish during the cooking process. So you get the perfect results everytime.

Functional. Integrated. Personalised. Smart Kitchen

Remotely manage your oven, explore our various partners, and even get personalised cooking assistance, all via the My AEG Kitchen App. It's the convenient and easy way to enrich your Smart Kitchen experience.

EXCite+ TFT Display with Command Wheel. Precision cooking

With the EXCite+ TFT Display with Command Wheel you can precisely and easily control the oven heat, browse programmes, choose functions and even get oven software updates via WiFi. All at the twist of a dial and displayed on the digital screen.

Product Specification

Main Colour	Black	Energy Rating	A++
Main Oven - Internal Capacity (L)	71	Main Oven Conventional Mode - Energy consumption per cycle (Kwh)	1.09
Cleaning	Pyrolytic Self Clean	Second Oven Conventional Mode - Energy consumption per cycle (Kwh)	N/A
Plug or Hardwired	Hardwired connection only	Main Oven Fan Mode - Energy consumption per cycle (Kwh)	0.52
