

Designed for space

Installed in the ceiling above your kitchen island, this attractive cooker hood not only cleans the kitchen air, it maintains the sleek finish of streamlined open-plan spaces.

Installed in the ceiling above your kitchen island, this attractive cooker hood not only cleans the kitchen air, it maintains the sleek finish of streamlined open-plan spaces.

Product Benefits & Features

The hands-free hood

This cooker hood has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. But if you'd rather adjust the fan speed yourself, there are manual controls

Clean air with less energy

A strong motor with low-energy consumption means this hood is reliable and efficiently clears away kitchen odours.

Clean air. Faster.

This Cooker hood clears the kitchen from cooking fumes quickly. That is because the advanced cooker hood has an efficient and powerful motor.

Benefit from long-lasting lighting

Gain the benefits of LED lighting. Clear and bright, it makes ideal task lighting over a hob and, additionally, it's long-lasting and energy-efficient too.

REGULATE COOKING. REMOTELY

Set the optimal conditions for cooking with the hood's remote control. It enables quick, convenient adjustments from anywhere in the kitchen. So there's one less distraction when it comes to finessing flavor.
