

### Power of invisibility

The most discreet of kitchen hoods, it is designed with integrated Hob2Hood connectivity. The hands-free system allows the hob to communicate with the hood, intuitively managing the air ventilation and lighting in the cooking area. All without being seen.

The most discreet of kitchen hoods, it is designed with integrated Hob2Hood connectivity. The hands-free system allows the hob to communicate with the hood, intuitively managing the air ventilation and lighting in the cooking area. All without being seen.

## Product Benefits & Features

### The hands-free hood

This cooker hood has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. But if you'd rather adjust the fan speed yourself, there are manual controls

### Clean air. Faster.

This Cooker hood clears the kitchen from cooking fumes quickly. That is because the advanced cooker hood has an efficient and powerful motor.

### Clean air with less energy

A strong motor with low-energy consumption means this hood is reliable and efficiently clears away kitchen odours.

### Benefit from long-lasting lighting

Gain the benefits of LED lighting. Clear and bright, it makes ideal task lighting over a hob and, additionally, it's long-lasting and energy-efficient too.

### One touch. Complete control

The full range of hood functions are consolidated into a single electronic control. Meaning settings can be monitored and adjusted with just one touch. Precisely and intuitively.
