**The uncomplicated way to responsible dishwashing**

Responsible choices made easy. Use the QuickSelect touchscreen slider to select your preferred cycle time and the Ecometer guides you to the most sustainable program to save energy and water through visually green bars.

**At-a-glance check**

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

**Open the door to dry dishes**

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

**QuickLift—adjust the basket height even when fully loaded**

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.
