

World's first lift-and-load. Bring the dishes to you

The 9000 ComfortLift® Dishwasher revolutionises dishwashing with the world's first lift-and-load basket. This advanced mechanism lifts the rack to a comfortable height for easy loading and unloading.

Product Benefits & Features

Lifts gentle to a new level

This world-leading ComfortLift® gently lifts the lower dishwasher rack up to a comfortable height. For easy loading and unloading. Elevating dishwashing to a whole new level.

- Sensorlogic
- 4 temperature settings
- 7 programmes including:
- Auto half load
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Long stem wine glass holder
- Floor beam to update you on wash status

Always gentle on dishes

With ComfortRails, you can smoothly slide the basket into place without any rattle of the plates. Always smooth to load and unload. You never have to worry about any chips or cracks in your dishes.

The uncomplicated way to responsible dishwashing

Responsible choices made easy. Use the QuickSelect touchscreen slider to select your preferred cycle time and the Ecometer guides you to the most sustainable program to save energy and water through visually green bars.

QuickSelect with Wi-Fi: Smart remote dishwashing

Our QuickSelect dishwashers enable smart, responsible dishwashing. Get guidance on the right programme based on load, time and soil level. Schedule washing to reduce energy costs. The app summarises usage and provides ECO reports.

Always know exactly when the dishwasher is done

Thanks to TimeBeam you can be fully up to date on the status of your dishwashing cycle at a glance. While the cycle is still in progress, TimeBeam technology projects the remaining amount of time in a clear red light on the floor. Simple, straightforward and effective.
