Product Benefits & Features

Your touch brings it to life

Imagine a glossy sheet of pure ebony glass that blends seamlessly with your worktop. Its cooking zones and touch controls are invisible until your fingertips bring them to life. The AEG MaxiSense Pure hob combines a sleek design with responsive functions, transforming your kitchen and turning

Combine zones to cook more

This hob can easily cope when you're cooking large amounts – or simply with bigger pans. Just touch the Bridge button to link and control two cooking zones together to fit any large or long pan. Sharing the same temperature and time setting, the linked zones are ideal when you're cooking for dinner

Hob2Hood - Cook without distractions

This hob has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. It means you don't get distracted by trying to regulate the fan when you're at crucial cooking moments: you can simply concentrate on getting your dish right. But if you'd rather adjust the fan speed

Zone in with intuitive controls

By turning the hob on and placing a pan down, the LED slider control automatically lights up. Intuitively showing which zone to use. Avoid placing a pot on an inactive zone, and experience the full power of cooking with AEG.

Each cooking zone. Individually timed

Once a cooking zone is in use, its timer can be accessed quickly and conveniently via the touchscreen display. No toggling through menus or other zones. And because each dish can be precisely timed individually, absolute control over the cooking process is assured.
