

Great taste, up to 40% faster

A succulent roast chicken achieved in just up to 40% the time a conventional hot air oven would require. The CombiQuick oven cooks faster by combining hot air fan with the speed of a microwave. From now on, time is no longer an obstacle to taste.

Product Benefits & Features

Microwave-grill combination. Fast Cooking with a crisp finish

Combine the power of a grill and the efficiency of a microwave, with Fast Cooking. Melt mozzarella-topped toasties, or harden a crème brûlée's sugared lid, all in the microwave. Versatile cooking, mastered.

- 43 Litre oven capacity
- Diamond-glazed enamel interior
- Isofront® plus triple glazed door
- Fan controlled defrosting
- 2 oven shelves
- Anti-fingerprint stainless steel
- LED digital display
- 1000W microwave power
- Microwave
- Base heat finishing
- Auto safety switch off and child lock

Functional. Integrated. Personalised. Smart Kitchen

Remotely manage your oven, explore our various partners, and even get personalised cooking assistance, all via the My AEG Kitchen App. It's the convenient and easy way to enrich your Smart Kitchen experience.

Pre-heat quicker. With Fast Heat Up

Make more of your time with the Fast Heat Up setting, pre-heating the oven 40% quicker than conventional models. Enjoy minimal waiting before beginning a bake, for great results on your schedule.

EXCite+ TFT Display with Command Wheel. Precision cooking

With the EXCite+ TFT Display with Command Wheel you can precisely and easily control the oven heat, browse programmes, choose functions and even get oven software updates via WiFi. All at the twist of a dial and displayed on the digital screen.

Cooked evenly everywhere

With this oven, using energy efficiently also means cooking efficiently. It has a new convection system called SurroundCook, which ensures hot air circulates evenly throughout the oven cavity. The result is that the oven heats up faster and cooking temperatures can be reduced by up to 20%, saving you both time and energy.

Product Specification

| | | | | |
|-----------------------------------|--|--|---|--|
| Main Colour | Black | Temperature Range | 30°C - 230°C | |
| Main Oven - Internal Capacity (L) | 43 | Maximum Microwave Output (W) | 1000 | |
