

**Superior washing – in less than 1 hour. at only 30°C. gentle care for clothes**

The 8000 PowerCare Washing Machine uses a unique technique to quickly premix detergent & fabric conditioner, activating completely before it even enters the drum. PowerCare ensures that the detergents and softeners get distributed evenly on your clothes to clean and care for every fibre for remarkably clean laundry results

#### Product Benefits & Features

**Powerclean 59 min. complete stain removal, even in low temperatures\***

PowerClean 59 min provides complete stain removal in under one hour at 30°C.\* It ensures detergent reaches every fibre — so that a short cycle is as effective as a long cycle, ensuring stains are completely removed.

- LED display
- Wool plus programme
- Delicate programme
- Cottons programmes
- Stain action option
- Child safety lock

**The UniversalDose drawer activates pods® 60% faster – giving extra power to quick and**

UniversalDose is a unique drawer designed for PODS® capsules that uses tailored waterjets to soften, pierce and fully dissolve PODS® in the drawer, activating them 60% faster, compared to when placed in the drum. This gives extra power to stain removal in cold and quick 1-hour washes.\*

**The next level of appliance interaction with AEG Connected**

Use My AEG Care app to personalise settings and get smart tips and suggestions. Customise laundry cycles and send instructions to your appliance to adapt it to your needs and habits. Smart and easy care via your smart phone.

**Garments refreshed,\* wrinkles reduced with steam refresh**

Steam Refresh neutralises odours\* and reduces wrinkles on garments, including delicates, in just 25 minutes. And if you like an extra boost of freshness, just add our aromatic steam fragrance. Giving it that just washed freshness.

**Precisewash reduces up to 40% of time, water and energy\* by optimising every load**

ProSense+ automatically adapts the energy usage and settings depending on the weight of the laundry load. So, you get customised laundry cycles that reduce energy, time and water usage by up to 40% when washing smaller loads.\*

#### Product Specification
