

Hydrated. Juicy. Healthy. Anti-dry cooling system

TwinTech® No Frost protects food quality. Advanced dual cooling systems, separate for fridge and freezer are superior to standard total no frost systems. The freezer is complete No Frost. Optimal fridge humidity protect ingredients from drying out. 60% less food mass loss, with TwinTech® No Frost.

Product Benefits & Features

TwinTech® No Frost. Keeps food from drying-up

TwinTech® No Frost fridge-freezer protects flavours in every ingredient. Superior to standard total No Frost, advanced technology combines two cooling systems for fridge and freezer. Freezer is No Frost. Fridge humidity is kept optimal resulting in 60% less food mass loss and ingredients kept juicy.

Every shelf evenly chilled. With DynamicAir

DynamicAir maintains a constant airflow to guarantee a stable temperature throughout the refrigerator. Every shelf evenly chilled to preventing warm zones. Prohibiting bacteria growth. Preserving fresh ingredients.

Ten-years peace of mind

Ten-year warranty on the Inverter Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Electronic Dual Touch Control. Fine-tuned with a touch

Take complete command of every fridge function with Electronic Dual Touch Control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.

Fridge space. Adapted seamlessly with FlexiShelf

Experience flexible fridge storage with the FlexiShelf. The front section slides seamlessly underneath the remaining segment to accommodate taller items.
