

Customised drying, even for wool, silk and outdoor garments

The 8000 AbsoluteCare® Tumble Dryer uses heat pump technology. It also precisely controls the movement and temperature of the drying drum, ensuring wool won't shrink and silk doesn't lose its shape. AbsoluteCare® restores water protection for outdoor garments and is Woolmark Blue certified.

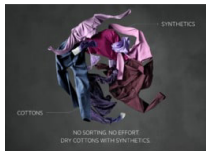

Product Benefits & Features

Absolutecare®, no shrinkage guaranteed*

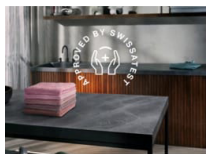

AbsoluteCare® uses heat pump technology, along with precise drum movements and temperatures to safely dry your clothing, even your delicate items. Ensuring wool won't shrink and silk doesn't lose shape. It restores water protection for outdoor clothes and is Woolmark Blue certified.

- Fewer loads and less hassle, saving upto 50% in energy used.
- Heat pump condenser dryer
- ProTex soft drum
- Delay start option
- Sensor dryer
- Time controlled drying
- Cotton programmes
- Synthetics programmes
- Easy iron programme

MixDry. no sorting. no effort. dry cottons with synthetics

MixDry effortlessly and thoroughly gets synthetic and cotton garments evenly dried without overdrying or underdrying. No sorting needed. The heat-pump technology ensures items get the exact amount of heat, keeping energy consumption low.

THE HYGIENE CYCLE REMOVES MORE THAN 99.9% OF BACTERIA AND VIRUSES* WHILE DRYING

The Swissatest-certified Hygiene cycle runs above 60°C, drying while sanitising items, removing 99.9% of bacteria and viruses.* Now you can dry duvets, pillows and clothes with confidence.

Precisedry. saves time and energy. protects your clothes

The advanced humidity sensors of ProSense+ help save time and energy. They proportionally adjust the time and energy usage based on the load size. Providing the right care to every load, so clothes look and feel their best for longer.

Sensidry® gets clothes evenly dry, even at low temperatures

SensiDry® uses precise sensors to ensure clothes get evenly dry at low temperatures, without taking more time. Exposing items to only the necessary amount of heat, for gentle drying that helps clothes last longer.
