

Your home espresso bar with touchscreen controls
Built-in espresso bar with touchscreen control for efficient navigation. Prepare and enjoy a selection of coffee, espresso, and other hot drinks exactly the way you want them at home.

Product Benefits & Features

Be your own barrista
The built-in coffee machine from AEG enables you to prepare that perfect espresso, cup of coffee or other hot drink exactly the way you like it. It's like having an espresso bar at home. With a barrista who never gets your order wrong.

Efficient Touch display
The large Touch display enables you to efficiently navigate the menus to choose features and settings.

Choose the recipe for your perfect drink
Adjustable coffee and milk quantity settings let you fine-tune the recipe to your precise preferences: cappucino, flat white, macchiato and more.

Milk jug keeps milk fresh longer
The milk jug enables you to keep milk fresh longer and simplifies the adjustment of foam density according to your preferences.

Sophisticated Matt Black finish
Matt Black Finish and glossy glass surfaces with a dark tint and polished edges combine to create a sophisticated design. Sleek chamfer detail and naturally anti-fingerprint matt texture.

- Cool light illuminates the coffee outlet
- Automatic Cappuccinatore fonction
- Auto start function
- Suitable for pregrounded coffee
- Two separate heaters for coffee and for hot water
- Water refill indicator
- Coffee beans refill indicator
- Indicator for full used coffee drawer
