

Up to 3X better drying using fresh air. Zero energy use

AirDry finishes drying with natural airflow instead of heat. The door automatically opens towards the end of the cycle, letting room-temperature air into the dishwasher.

Product Benefits & Features

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and

Space where you need it: 2-step, height-adjustable upper basket

Easily create more space at the top or bottom with the 2-step height-adjustable upper basket. Even when it's fully loaded, you simply grab the handles on the sides and slightly pull up to raise or lower the basket.

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.

Optimise performance with machine care

Maintain optimum performance with the Machine Care cycle. The programme is designed to remove limescale and the build-up of grease. To ensure the dishwasher always performs at its best, with special care detergent.

- Auto off function
- Symbol panel
- TouchControl operation
- BeamOnFloor 2-coloured
- Drying system: AirDry Technology
- Delay Start: You can set the wash programme to start in up to 3 hours.
- Cutlery basket
- Water sensor
- Aqua control
- Electronic refill indicator for salt and rinse aid
- Sliding hinges for flexible installation
- Height adjustable on both sides even when loaded
- Upper basket: 2 plastic, Foldable cup shelves
- Lower basket: Fixed tines
- Programmes: 90 Minutes, AUTO Sense, ECO, Machine Care, Quick 30 Minutes
