

Command water. At a touch

There are more exciting things to do than watching water boil. The 7000 SenseBoil® Induction Hob detects rising bubbles and automatically reduces to a low simmer. So the focus can be fine-tuning those flavours and mastering that menu.

Product Benefits & Features

Boiling water, under control with the Boil Sensor

The Boil Sensor detects rising bubbles and automatically adjusts the temperature settings, reducing it to a controlled simmer. No more monitoring. Saving both time and energy.

Hob2Hood®: The hands-free hood

The Hob2Hood® function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Individual Zone Controls for full flexibility

Enjoy full flexibility while cooking your favourite dish. The Individual Zone Controls are easy to navigate and intuitively allows you to control each cooking zone on your hob. Boost power when needed, set individual timers and more.

Quicker heat for extra speed with PowerBoost

A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.

Hob timer. Built for precision

The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

- Cooking function: induction
- Statement Frame
- Electronic touch controls with the digital display not only make selection easier but also offer a larger choice of power levels.
- Power function for each cooking zone
- Automatic pan recognition
- Digital indications for each zone
- OptiHeat Control
- Child lock function
- OffSound Control
- Eco Timer
- Independent hob with controls
- Controls position: Front Right
- Control lock function
- Main colour: Black

Product Specification

Series	7000
Main Colour	Black
Plug or Hardwired	Hardwired connection only
Dimensions (mm) (WxD)	610x520
Built-in Dimensions (mm) (HxWxD)	44x560x490
Cord Length (m)	N/A
LED Colour	Red
Left Front - Power/Diameter	2300/3200W/210mm
Left Rear - Power/Diameter	2300/3200W/210mm
Right Front - Power/Diameter	1400/2500W/145mm
Right Rear - Power/Diameter	1800/2800W/180mm
Gas Supply: Natural Gas	No
LPG Conversion Kit Included	No
Product Number (PNC)	Exclusive KR Partner
Control Functions	3 step residual heat, Acoustic signal, Booster, Child-lock, Eco timer, Flexible Powermanagement, Heat memory, Hob-hood connection, Individual zone timers, Key-lock function, Left Bridge, Minute minder, Pause, SenseCook Boil, Sound off
Number of cooking zones	4
Hob Type	Induction Full
Frame Type	Statement Frame Matt Black
Hob Safety	Automatic Switch Off
