

Guided cooking. Flawless results

7000 MealAssist Oven with touch display guides you to perfect results, whatever your recipe, at the touch of a button. And the UI allows you to explore energy-efficient cooking without compromising taste by removing guesswork when preparing meals.

Product Benefits & Features

CookSmart Touch. Smart cooking at your fingertips

The CookSmart Touch display with swipe navigation lets you receive cooking tips and select oven functions. And with energy-saving tips, you can cook more efficiently. Your favourite dishes and methods can be saved on the app and sent to the oven at the touch of a button.

Next-level recipe results. With AI

Remove any guesswork and enjoy your oven's full capabilities with AI TasteAssist. Simply send a web recipe to your oven via our app and let AI optimise the time, temperature and functions, bringing out the best in every dish.

AI TasteAssist is an AEG app feature that can import recipes in Italian, French, German, English, Swedish and Dutch. Languages to be added throughout 2025 are Polish, Czech, Hungarian, Romanian, Norwegian and Danish. The AEG is available in the App Store and Play Store.

Functions and Dishes. Automatic settings and step-by-step guidance

Assisted cooking Functions provide the best settings and automatic options such as Roast, Reheat and Dough Prove for outstanding results. And the Assisted Dishes function offers step-by-step guidance for meat, baking, cooking plant-based dishes, fish or vegetables.

Pyrolytic Cleaning. The self-cleaning function

Using high temperature, the Pyrolytic Cleaning function turns grease and food residue into ash – so you can easily wipe it off with a damp cloth.

Food Sensor – for precise temperature control

The Food Sensor allows you to precisely monitor your cooking for perfect results regardless of the recipe. The oven will let you know when your food has reached the right temperature.

- Multifunctional oven with ring heating element
- Multifunction
- Fast heating
- Electronic temperature control
- Residual heat indicator
- FloodLight™
- Cooling fan
- Telescopic runners Snapper kit, Telescopic Runners (TR1LV) included

Product Specification

Main Colour	Matt Black
Cavity Size (L)	71
Cleaning	Pyrolytic
Plug or Hardwired	Hardwired connection only
Functions (Main Oven)	Top, Bottom, Hot air, Top & Bottom, Hot air & Top, Hot air & Bottom, Heat save fan, Reheat (manual), Grill, Dough prove, Defrost, Stew, Roast, Slow cook, Preserve, Plate warming, Keep warm, Dehydrate
